

I would just like to let you know how much KLOVE is loved. This radio station not only helps people who are confused about life and love but helps people on the bridge of suicide. This station is a great way to share the Bible and Christianity. It helps on days where you are frustrated, just turn on your radio and it takes you back to how you should be. Calm, loving, kind, Christianlike. It can turn a sad, lonely day into a wonderful, fullfilled day. I would please like you to leave KLOVE alone. Leave them on the air, the do the most important work ever. They are all witnesses for GOD. And we all thank you for that.

Sincerely,

Alicia Lipsey
